Explained why it's important to join the booster club-it basically takes a lot of money to be able to do the things necessary for the band to compete (transportation, show design, music, props,etc). We ways to raise money: sponsorships, spirit gear, fundraisers, tournament of bands, etc.

Kids love for parents to be involved. IT's a great way to meet other parents and to get to know the kids. VOLUNTEER!! Keep up to date with our band website byrnesband.org!

Cindy Compton read the minutes from the previous meeting.

Kate Johnson gave the treasurer's report.

Shannon Wylie is up to date on the book keeping. Budget is at a bare minimum at this time.

- 2) In the bylaws starting at Article 7, the numbers needed to be renumbered.

Lorinda asked for a motion and a 2nd. Both items were voted in favor of by 62 families represented. Families were given the opportunity to discuss/questions.

Booster club members will not receive a 10% discount off spirit gear and the Membership Fee will remain \$20. Both of these items were voted on, and passed with unanimous decision.
