

Parent Volunteer Form

Making the Byrnes Guard program function is a massive undertaking – The Booster Club is unparalleled in the level of support they give our students to make them as successful as possible. We highly encourage all families to become members of the Rebel Band Booster Club. It is a great way to get involved and stay informed on all parts of the Byrnes Band Program, including the winter guard program.

This form has a few options and opportunities for you to take a bigger investment in your involvement with the program. Whether chaperoning a trip, organizing snacks for a longer trip, helping with hair or makeup, or simply helping clean up after the Byrnes competition, your assistance is greatly needed and appreciated. If you can fill in doing whatever, whenever, just let me know that too! As always, you can reach me at jen.barton@spart5.net if you have any questions or can think of ways to help out beyond this page. Please indicate at bottom if you are interested in being a committee chair or you have another special skill or talent that is not on this sheet.
