

Winter Guard Trips

Each year, we offer non-competing students the opportunity to travel with and experience our WGI Regionals and World Championships experience. These trips are an awesome opportunity to see other winter guards from around the country and around the world and to experience this activity at the highest level. Male students are invited to assist with floor crew and will be able to travel with the teams and enjoy the experience as well.

Trip costs include the following: hotel stay, charter/activity bus seat, event tickets/passes, and pre-ordered group meals.

This sheet will detail out how many seats are available for each trip, the total cost, sign-up and deposit deadline information. **PLEASE NOTE:** a trip deposit is due at the time of sign-up. **FLOOR CREW STUDENTS:** you must fill out three forms in order to participate in floor crew. See Jen for your forms. If you have any questions, please contact jen.barton@spart5.net.
