10pm awards

11:30pm approx. return time to BHS

Suggested you have sunglasses, hat and/or sunscreen for the rehearsal at Spartanburg HS

We ask that parents not come to Spartanburg High School or the food court at the times the Band will be there unless you are traveling with the band as official pit/prop crew or chaperone. There is limited space and time at both locations and we are guests at Spartanburg HS. Thank you for your understanding.

We will practice at Upward Start Center later in the season. They needed to reschedule many games that were canceled due to the Hurricane days earlier this month. Our principal Mr. Hardy was able to get us special permission to practice on the artificial turf field at Spartanburg HS instead. We are also very appreciative to the Spartanburg Band staff for assisting with this. We wish them the best as they travel to Enka, NC to compete Saturday.
