For the Bands of America Regionals in NC and GA we will have an afternoon prelims performance time. Wake Forest is 1:15pm and Atlanta will be between 12-2pm (we do not have finalized time yet). There will be an awards ceremony after prelims. If we make finals, there will be a draw for a finals time that night (usually between 7-9:30pm). After finals awards the band will return home. We will only be staying overnight Friday night at each location. Next week, we will provide more details for each trip. We are waiting on a couple of items to finalize and hope to have a Wake Forest trip schedule by mid-week.
