

DISTRICT FIVE GUARD PROGRAM

Dear Families,

8TH MAY 2018

We are so glad to welcome you to the District Five Guard Program. The 2018-2019 year promises to be amazing – your student will be provided with many opportunities to challenge themselves, grow as performers and people, and to make wonderful memories with their teammates.

As the season progresses, there may be questions. Please do not hesitate to reach out to me or any of the band staff for help. This packet will give broad AND detailed overviews of the guard program and the upcoming fall season. Weekly email updates will keep you informed and aware of schedules and needs for your student's week. Please join the team Facebook Page (Byrnes Guard) and the Remind101 (text @rrcg2 to 81010) for the latest information and updates.

Being a part of an organization like the Byrnes Band and Guard Program is an incredible experience for all parts – including the parents! Make sure to join the Rebel Band Booster Club and to volunteer! This takes a village – and I am sure everyone has a talent to lend to the team. Please reach out if you are interesting in serving in the incredibly important job of VOLUNTEER!

Get ready for a wild and amazing ride – WELCOME!

All the best,

Jen Barton

District Five Guard Director
