

REBEL REGIMENT BOOSTER CLUB
September 12, 2017
7PM

Our September Meeting was held in the Byrnes Band Room.

Jeff Ward opened up the meeting by welcoming everyone.

Cindy Compton gave the previous minutes which will be posted on the website.

Kate Johnson gave the Treasurer's Report. There is approximately \$30,000 in the account at this time. Again, there is an open book policy if at anytime anyone needs to look at these for any questions. Fees for Nationals still need to be paid ASAP.

Mr Bone gave the Director's report. The students are working very hard and together as a team. He thanked parents who have helped in various areas of the band. He gave an analogy of the band vs another band as a David and Goliath . We have a great group of kids in our band.

Jeff again spoke of how we are closing in on about \$20000 in sponsorships. We have about 110 families who have joined the Booster club which is amazing. If anyone has not picked up car magnets, please see Sabrina hodes.

Teresa Dempsey asked for more volunteers for the TOB. It takes a lot of people helping with this fundraiser. It's our biggest moneymaker of the season which means it takes everybody pulling together. Our Meet the Rebel Regiment will have volunteer opportunities as well. Ellen Mash is the chairperson for the director's Hospitality Room at the TOB. She is still in need for food or money donations for this day. It takes so much help in just this area of the day.

Jennifer Owens gave the fundraising update. The Brass section raised \$333 at 50/50 night and the Woodwinds raised \$309 at the 50/50 night. September 21 will be a Spirit Night at Pizza inn. Fruit Sale begins soon as well as the gift card sales.

Lindsay Rosillo spoke of a new way to raise money for the band. Check out amazon.smile program when purchasing items online. The band will receive a percentage of total purchase. It's an easy way to help raise money. Get the word out.

The uniform room is in the process of being cleaned and getting organized. We have show shirts from past years that would be great to send to Hurricane victims. Booster members voted and approved to do this.

Meeting adjourned.
